159 Now I know that it was because the evil spirit possessed me that I felt that
755 way. I was suffering from a disease. I even desired to kill myself;
794 I did not care to live. That feeling, too, was caused by this evil
276 spirit living within me. Then I ate this medicine and everything
[753] changed. The brother and sister I wanted to kill before I became attached to and I wanted them to live. The medicine had accomplished this.

O. L.'s Description of the Peyote Cult

(Pl. 88, c)

159 John Rave belongs to the Bear clan, the members of which had
614 the functions of what might be called sergeants-at-arms. He and
[692] his ancestors used to be in charge of the *manupeki* (i. e., the ser-
68] geants-at-arms lodge), to which all malefactors would be brought for punishment.

159 Rave, although he belonged to this highly respected class of people,
794 was a bad man. He roamed from place to place. He has participated in all the ceremonies of the Winnebago, the medicine dance alone excepted. He had been married many times. Up to 1901 he was a heavy drinker. In that year he went to Oklahoma and while there ate the peyote. He then returned to the Winnebago and tried to introduce it among them, but none with the exception of a few
[77] relatives would have anything to do with it. This did not in any way discourage him, however, and he continued using the peyote, now and then getting a few converts.

159 There was not very much religion connected with it in the beginning
794 and the reason people drank it was on account of the peculiar effects
177 it had upon them. Nevertheless these Peyote people preached good things and gradually lost all desire for intoxicating drinks or for participating in the old Winnebago ceremonies. Then Rave began to do away with the old Indian customs. About four or five years ago the membership in the Peyote religion began to increase, for many people now noticed that those connected with the Peyote cult were the only people in the tribe leading a Christian life.

At this time the Bible was introduced by a young man named Albert Hensley (pls. 8, *d*; 9, *d*). He, too, had been a bad person, although he had been educated at Carlisle. Like Rave, he was a heavy drinker and fond of wandering.

During the last few years our members have increased so fast that now almost half the tribe belong to our religion. We all make efforts to lead a Christian life and we are succeeding very well.

794 We use the New Testament, especially the Revelations.

796 Our meetings take place at any time. We gather together in the
159 evening, and as soon as everything is in readiness the leader arises
[762] and offers a prayer called, "Turning themselves over to the care of the Trinity."
